Spotlight has a long history of supporting established and emerging designers. In 2010 Spotlight is excited to be an official partner of the Perth Fashion Festival, presenting the Designer for Tomorrow Award at the WA fashion Awards.

The glamorous award evening was held on September 15th at the Burswood Grand Ballroom where Mark Goddard, CEO of Spotlight was very proud to announce the upcoming WA designer, Of Cabbages & Kings as the winner of Designer of Tomorrow award.

“We are proud to be supporting this event in Western Australia where we operate 10 stores and where so many of our leading designers and industry leaders are born”

“Spotlight’s award recognises the fantastic work of all three of the designers nominated in all areas of fashion” Mark Goddard, CEO of Spotlight said.

It was a tough decision for judges as the other two local emerging designers up for nomination were also of an outstanding standard. Perth Fashion Festival ran from the 9th-15th of September and with over 40 fashionable events taking place across the city of Perth it was a huge success!

At Spotlight we believe everyone can create their own fashion whether it is inspired by the latest looks from the catwalk or something a little more unique using the hundreds of affordable fashion fabrics and patterns available through our 109 stores.
